Re: Delta Shipyard Superfund Site, Houma, Terrbonne Parish, Louisiana, SSID No. 06GC.

Dear Mr. Buniva:

On November 21, 2012, the U.S. Environmental Protection Agency (EPA) received your emailed request for time extension to respond to the 104(e) Information Request Letter (Letter) that was sent to Chromalloy American Corporation, C/O Sequa Corporation, Three University Plaza, Hackensack, New Jersey 07601 and also to C T Corporation System, Registered Agent for Chromalloy American Corporation, 5615 Corporate Boulevard, Suite 400B, Baton Rouge, Louisiana 70808. An extension of (30) thirty calendar days is granted.

The EPA's records show the envelope containing the Letter sent to Chromalloy American Corporation, C/O Sequa Corporation, Three University Plaza, Hackensack, New Jersey was stamped by the U.S. Post Office as undeliverable and returned to EPA. The EPA's records also show the Letter sent to the registered agent to Chromalloy American Corporation in Louisiana was received on or about November 15, 2012, thereby causing the letter's original response date to be December 15, 2012. Therefore, the response date for the letter is now January 14, 2013.

Sincerely Yours,

Ben Banipal, P.E.
Acting Associate Director
